## General

<b>ACER DAVIDII GROSSERI</b>	<b>Snake Bark Maple</b>	6m x 4m Deciduous	45L	\$75.00
------------------------------	-------------------------	-------------------	-----	---------

Snake Mark. A smaller growing tree prized for its grey-green and white striped bark. Rich autumn colour. Good for smaller town gardens. Will tolerate frost, sun, avoid heavy clay.

<b>ACER GRISEUM</b>	<b>Paper Bark Maple</b>	6m Deciduous	45L	\$120.00
---------------------	-------------------------	--------------	-----	----------

Noted for the very distinctive, pappery, orange-brown bark that peels off in curled sheets. Stunning autumn shades of orange, red and yellow. Slender growth habit.

<b>ACER JAPONICUM ACONITIFOLIUM</b>	<b>Fern Leaf Maple</b>	4.7 - 6m Deciduous	45L	\$120.00
-------------------------------------	------------------------	--------------------	-----	----------

Very distinctive, ornamental leaves of deep green and very deeply cut lobes and toothed margins. Rich autumn colours. A small, shrubby tree. Hardy.

<b>ACER ORANGEOLA</b>	<b>Maple</b>	1m x 1m Deciduous	45L	\$105.00
-----------------------	--------------	-------------------	-----	----------

Produced as standard weepers to show off the delightful cascading form and the finely dissected foliage that is bright, orange-red colour. Will tolerate frost, sun, avoid heavy clay.

<b>ACER P. DIS. 'CRIMSON QUEEN'</b>	<b>Weeper Crimson Queen</b>	1m x 1m Deciduous	35L	\$110.00
-------------------------------------	-----------------------------	-------------------	-----	----------

A lovely weeper with rich crimson spring foliage turning a deeper purple-red over summer. Brilliant autumn colours of scarlet-red. Hardy.

<b>ACER P. DIS. PEN. JULIAN</b>	<b>Maple</b>	3m Deciduous	45L	\$125.00
---------------------------------	--------------	--------------	-----	----------

Purple Weeping Maple. A mushroom - shaped weeper with deeply cup, rich purple brown foliage become green over Summer & orange yellow in Autumn.

<b>ACER P. SHI DESHOJO</b>		2.5m Deciduous	45L	\$110.00
----------------------------	--	----------------	-----	----------

A gorgeous, densely branched shrub with glittering scarlet foliage throughout spring before turning pink & bronze-green over summer. Great Autumn tones.

<b>ACER PAL SCOLOPENDRIFOLIUM</b>	<b>Acer</b>	1.8 - 2.4m / 3 - 4m	35L	\$128.00
-----------------------------------	-------------	---------------------	-----	----------

Top choice among small trees. Growing to only 6 to 8 feet, has 5-lobed, finger-like foliage, only bronze to reddish green. Fall is yellow. Thrives in partial shade and moist soil.

<b>ACER PAL. DIS ORANGEOLA</b>	<b>Maple</b>	Deciduous	35L	\$105.00
--------------------------------	--------------	-----------	-----	----------

Produced as standard weeper to show off the delightful, cascading form and the finely dissected foliage that is a bright, orange-red colour for spring. Hardy.

<b>ACER PAL. HIGASAYAMA</b>	<b>Maple</b>	4.5m Deciduous	45L	\$128.00
-----------------------------	--------------	----------------	-----	----------

Variiegated leaf colour of pink & cream with dark green veins, turning cream with light green veins. Red/gold & yellow autumn tones. Hardy

<b>ACER PALMATUM</b>	<b>Maple</b>	4m x 3m Deciduous	45L	\$128.00
----------------------	--------------	-------------------	-----	----------

Japanese. A valued small tree prized for its compact growth, delicate foliage and vivid autumn colour. Good for smaller town gardens. Will tolerate frost, sun, avoid heavy clay.

200L \$250.00

160L \$300.00

150L \$300.00

<b>ACER Palmatum dissectum Seiryu</b>	<b>Maple</b>	3m x 2.5m Deciduous	35L	\$145.00
---------------------------------------	--------------	---------------------	-----	----------

Lace Leaf superb small tree with delicate lacy foliage turning gold, yellow and crimson in Autumn. Ideal specimen tree for small gardens. Will tolerate frost, sun, avoid heavy clay.

<b>ACER PALMATUM 'MOONFIRE'</b>	<b>MAPLE</b>	3-4m Deciduous	45L	\$30.00
---------------------------------	--------------	----------------	-----	---------

Compact shrub with seven-lobed leaves of a glorious wine-red shade turning to purple-red over summer. Smaller variety as 'Bloodgood'. Cold hardy. BAG 7/08

45L \$128.00

<b>ACER PALMATUM PIXIE</b>	<b>Maple "Pixie"</b>	2m / 4m	45L	\$30.00
----------------------------	----------------------	---------	-----	---------

Very similar to 'Bloodgood'. Forms a dense, twiggy bush to 2 m. suitable for containers. the summer leaves are purple-red, fall colour is blazing scarlet.

45L \$128.00

Botanical Name	Common Name	Specification	Grade	Price
<b>General (continued)</b>				
<b>ACER SACCHARUM</b>	<b>Suger Maple</b>	10m Deciduous	45L	\$128.00
Fast growing species with large, deeply lobed leaves. The silver-white undersides are a feature especially when ruffled by wind. The orange and yellow autumn colours are also spectacular BAG 7/08				
<b>ACER SENKAKI</b>	<b>Coral bark Maple</b>	5m x 3m Deciduous	45L	\$128.00
This red stem maple stands out dramatically amongst other trees and shrubs. Green leaves turn to butter yellow in autumn. Cold hardy needs wind shelter. Will tolerate frost, sun, avoid heavy clay				
			75L	\$150.00
			135L	\$300.00

New fresh, soft green spring foliage. Leaves delicately lace-like, dissected, turn lime green in summer. Spectacular autumn tones. Soft mounding habit.				
<b>ACER X FREEMANII 'JEFFERSRED'</b>	<b>Jeffersred</b>	10m x 5m Deciduous	45L	\$128.00
A spectacular specimen tree providing a display of bright red, orange and scarlet leaves in Autumn. Wind tolerant. Will tolerate frost, sun, avoid heavy clay				
			135L	\$260.00
<b>AEONIM ARBOREUM</b>			2L	\$12.00
Fascinating succulent with stems each crowned by a rosette of narrow near-black leaves.				
<b>AGARVE</b>	<b>Agarve</b>			\$95.00
<b>AGATHIS AUSTRALIS</b>	<b>Kauri</b>	6m x 1.5m Evergreen	45L	\$125.00
An under-utilised tree for residential garden. Remains a medium sized tree for many years with neat foliage and a tidy distinctive shape.				
<b>AGAVE ATTENUATA</b>		50cm x 100cm	45L	\$20.00
Striking succulent with strong form. Forms bold rosette of silver-grey foliage. Great for pots or dry sunny sites in the garden.				
<b>AGONIS FLEXUOSA 'AFTER DARK'</b>	<b>Willow Myrtle</b>	3m x 2m Evergreen	45L	\$115.00
Delightful small tree with weeping burgundy coloured foliage. Cream flowers in spring. Good for dry, warm sites. 3m x 2m Evergreen				
<b>ALBIZIA JULIBRISSIN</b>	<b>Silk Tree</b>	5m x 5m Deciduous	80L	\$200.00
One of the best shade trees. Gives light, dappled shade under a naural umbrella-shaped canopy. Good for smaller town gardens. Tolerate frost and sun.				
<b>ALECTRYON EXCELSUS</b>	<b>Titoki</b>	6m x 4m Evergreen	45L	\$128.00
Glossy dense foliage and bird-attracting, shiny black seeds encased in bright, scarlet flesh. Frost low, wind and sun high.				
			Pb95	\$190.00
			75L	\$215.00
			135L	\$260.00
			160L	\$300.00
<b>ALMOND</b>	<b>All In One Golden Queen</b>	4.5m Deciduous	45L	\$75.00
Heavy crops of soft-shell nuts with sweet, flavourful kernels. Needs a hot summer to ripen. Frost hardy. Self Fertile.				
<b>ALMOND GARDEN PRINCE</b>		3m x 1m Deciduous	45L	\$65.00
Compact grower with lush foliage and attractive spring blossom. Soft shell nut, kernels especially sweet & tasty. Suited to warmer areas. Sun & good drainage.				
<b>ALNUS CORDATA</b>	<b>Alder Italian</b>	10m x 6m Deciduous		\$95.00
A stately, fast growing tree that thrives in a wide range of conditions. Will tolerate wind, wet, dry, frost and sun. Heavy clay and sandy soil.				
<b>ALNUS GLUTINOSA IMPERIALIS</b>		10m Deciduous	45L	\$128.00
Handsome, very deeply cut leaf leaves. Adaptable to most soils and conditions. A fast-growing, taller tree with the same appealing catkins as the species.				
<b>ALNUS RUBRA</b>	<b>Alder</b>	10m x 6m deciduous	45	\$75.00
Medium sized, fast growing tree of graceful habit. Leaves green above and greyish beneath. Festooned in spring with 10-15cm catkins. Hardy, tolerating heat, cold and wet situations.				
<b>ALOE AMERICANA</b>			60l	\$60.00

Botanical Name	Common Name	Specification	Grade	Price
<b>General (continued)</b>				
<b>ALOE BARBERAE</b>	<b>Aloe Tree</b>	3.5m x 2.5 Evergreen	45L	\$150.00
A fantastic feature plant with long leaves at the ends of stubby branches on a stout trunk. Dramatic flower spikes in winter. Will tolerate wind and heavy clay.				
<b>ALOE PLICATILIS</b>	<b>Fan Aloe</b>		45L	\$40.00
Succulent many branched slow growing evergreen tree with fan-like clusters of blue-green leaves. Tubular scarlet flowers appear in spring. Will eventually grow up to 3m tall.				
<b>ALOE POLYPHYLLA</b>	<b>Spiral Aloe</b>		45L	\$45.00
Clustered ball-like rosettes with five spiraling ranks. Once it is mature it is quite hardy and if it has good drainage will grow quite happily even in extreme temperatures.				
<b>ALOE THRASKI</b>		1.5m x 2m Evergreen	PB95	\$295.00
South Africal coastal succulent. Single trunk with long arching blue-green leaves and early yellow flowers.				
<b>AMELANCHIER CANADENSIS</b>	<b>Shad Bush</b>	3m Deciduous	45L	\$125.00
A neat, erect-growing, dense shrub with young leaves notably hairy . Mature to mid-green over summer and turn to vibrant shades of red, yellow, orange during autumn. Hardy.				
<b>ARAUCARIA ARAUCANA</b>	<b>Monkey Puzzle</b>	8m x 5m Evergreen	35L	\$90.00
Sharp, thick, scale-like leaves arranged spirally, closely cover all its branches. Essentially to be grown as an isolated specimen in plenty of space for full development.				
<b>ARBUTUS UNEDO</b>	<b>Strawberry Tree</b>	4m x 3m Evergreen	45L	\$40.00
Irish glossy dark-green leaves, delicate little white flower clusters and attractive red strawberry-like fruit. Will set off any garden. Will tolerate wind, sun, avoid frost.				
<b>AZARA MICROPHYLLA</b>	<b>Vanilla Tree</b>	5 x 3m Evergreen	135L	\$270.00
Heady vanilla fragrance from late Winter into early Spring. A small, light framework specimen tree.				
<b>BALLERINA BOLERO</b>	<b>Compact Apple Tree</b>	4m x 30cm	45L	\$65.00
Attractive white tinged pink spring blossom, followed by shiny green eating apples with a golden blush. Mid season.				
<b>BALLERINA MAYPOLE</b>	<b>Columnar Crabapple</b>	4m x .5m Deciduous	45L	\$80.00
Masses of large beautiful carmine spring flowers flowwed by large purple red crab apples. Makes great jelly. Best with sun, good soil and care.				
<b>BAMBOO PALM</b>		2m	Pb28	\$15.00
<b>BANKSIA INTEGRIFOLIA</b>	<b>Banksia</b>	5m x 3m Evergreen	45L	\$95.00
Handsome tree for coastal or inland. Will stand salt spray. Nectar laden pale yellow flowers. Loved by tuis and bell birds for winter food.				
<b>BEAUCARNEA RECURVATA</b>	<b>Ponytail Palm</b>	Evergreen 2x1m	Pb40	\$95.00
Very popular, graceful grass like leaves flowing out of swollen cordex trunk. Hardy				
			30L	\$150.00
			30L	\$150.00
			30L	\$150.00
				\$300.00
<b>BETUAL UTILIS.VAR. JAC. 'DAZZLER'</b>	<b>Birch</b>	8m x 5m Deciduous	45L	\$55.00
A deciduous hardy tree. This is a superior selection with amazing white bark - among the best that we have seen. Larger green leaves than it's parent. Will tolerate wind, frost and heavy clay.				
<b>BETULA 'BLACK PRINCE'</b>	<b>Birches</b>	4m Deciduous	45L	\$85.00
A smaller growing variety of delightful habit. The smaller, glossy leaves retain their purple-black colouring from spring through summer.				
<b>BETULA PENDULA 'TRISTIS'</b>	<b>Birches</b>	15m Deciduous	75L	\$155.00
A graceful narrow growing, tall tree with long, slender, pendulous branches. Bark remains white for many years. Golden-yellow autumn colours.				
<b>BETULA PLATYPHYLLA JAPONICA</b>	<b>Japanese White Birch</b>	9m Deciduous	45L	\$100.00
The earliest birch to leaf up in spring. Large, glossy green, diamond - shaped leaves combined with the very white trunk make a lovely ornamental specimen. Narrow, erect growth habit. Hardy.				
			135L	\$250.00

Botanical Name	Common Name	Specification	Grade	Price
<b>General (continued)</b>				
<b>BRACHYCHITON ACERIFOLIA</b>	<b>Flame kurrajong</b>	10m/6m	45L	\$85.00
At its best one of the world's most spectacular flower trees. Profuse foamy sprays of bright scarlet flowers, borne in late spring.				\$220.00
			135L	\$225.00
<b>BUTIA CAPITATA</b>	<b>Palm - Jelly</b>	4m x 2.5m Evergreen	45L	\$195.00
A graceful alternative to the more common Phoenix Palm. The bluish-green arched fronds form a rounded crown on a sturdy straight trunk. Will tolerate frost and sun.				\$730.00
			160L	\$730.00
			400L	\$1,100.00
			400L	\$1,300.00
			400L	\$1,500.00
<b>CALODENDRUM CAPENSES</b>	<b>CAPE CHESTNUT</b>	7m x 12m Deciduous	75L	\$75.00
Sth African tree. Stunning Lilac flowers in summer. Full sun, regular watering, protect from strong wind. NOT FOR SANDY SOILS. Slow growing.				
<b>CAMELLIA ALPEN GLO</b>	<b>Alpen Glo</b>	1.5m Mid late season	35L	\$55.00
Soft pink, tiny, single. Clusters of buds open from every leaf axil, leaves lighter coloured and denser than snowdrop. Semi shade preferred.				
<b>CAMELLIA CHOJI GURMA</b>		Evergreen	PB28	\$95.00
Small pink/light red anemone form. Very early and highly scented. Vigorous and upright in growth.				
<b>CAMELLIA E G WATERHOUSE</b>			45	\$95.00
Large, evergreen shrub with attractive glossy dark green foliage. Profuse, large, showy flowers are borne in early winter to med spring. Cold hardy.				
<b>CAMELLIA Nicky Crisp</b>		1.5m Mid-late season	45L	\$95.00
Small pale lavender pink semi double flowers. Compact bushy growth. A simple, high quality flower on an outstanding plant.				
<b>CAMELLIA Setsugekka</b>		1.5m Early season	45L	\$95.00
The bloom is pure white, semi double and large, with distinctively rippled and fluted petals. Vigorous and upright, flowers protected from morning sun.				
<b>CAMELLIA TSAI</b>		2.5m Mid-late season	45L	\$70.00
White small 2cm flowers, single and fragrant. Borne in great profusion mid season. Graceful habit with mahogany new growth. Attractive foliage.				\$250.00
<b>CAMELLIA YULETIDE</b>			45L	\$95.00
Sasanqua, orange red, medium, single with bright yellow stamens, early, erect compost grower. 2.5m early season				
<b>CANTON LACE</b>		4m Evergreen	45L	\$110.00
This handsome specimen delicately complements all delicately indoor décor, homes. Good for patio too. Place in a medium light situation. Will withstand -4c.				\$190.00
<b>CARICA PUBESCENS</b>	<b>Paw Paw</b>	2 - 3 metres	45L	\$50.00
Highly ornamental small tree. Will withstand light frost. Plant where aroma from fruit can be appreciated. Mulch well as shallow rooted. MORE FROST TENDER Than "Mountain"				
<b>CARPINUS BETULUS</b>	<b>Hornbeam</b>	8m Deciduous	45L	\$75.00
An extremely hardy tree easily incorporated into smaller gardens. Matures into a medium sized pyramidal tree.				
<b>CARPINUS BETULUS FASTIGIATA</b>	<b>Hornbeam</b>	8m Deciduous	45L	\$125.00
An extremely hardy tree easily incorporated into smaller gardens. Matures into a medium sized pyramidal tree.				\$250.00
<b>CARYOTA GIGA</b>	<b>Mountain Fishtail palm</b>	2m x 1m Evergreen	45L	\$75.00
Unusual and attractive palm suitable for warm frost-free gardens. Prefers shade and good soil which doesn't dry out.				

Botanical Name	Common Name	Specification	Grade	Price
<b>CASIMIROA EDULIS</b>	<b>Sapotes</b>	4m x 3m Evergreen	45L	\$90.00
Also known as White Sapote and Ice Cream Fruit. Masses of very sweet, highly nutritious large fruit with a smooth ice cream taste. Hardier. Protect from frost.				
<b>CERCIDIPHYLLUM JAP. PENDULA</b>	<b>Katsura Tree</b>	4m x 6m Deciduous	45L	\$125.00
Grafted onto varying height to give a clean trunk. The pendular branches cascade almost straight down to the ground and have the same colours as the usual shrub. Tolerate frost and sun.				
<b>CERCIS FORST PANSY</b>		3mx3m Deciduous	45L	\$110.00
Purple leaf form. Young shoots brilliant red, turning deepest purple - black. Masses of pale pink pea - shaped blossoms in spring.				
<b>CERCIS RENIFORMIS 'TEXAS WHITE'</b>	<b>White Redbud</b>	4m Deciduous	45L	\$110.00
Spectacular, large, glossy green, leathery leaves are a feature. They turn yellow in autumn. Masses of white flowers smother the branches in early spring. Hardy				
<b>CERCIS SILIQUASTRUM</b>	<b>Judas Tree</b>	4m Deciduous	45L	\$95.00
Forms a neat tree with a spreading crown. Suitable smaller gardens. Masses of mauve-pink flowers carried on bare branches in early spring. Hardy.				
<b>COPROSMA LOBSTER</b>		1 - 2m tall evergreen	35L	\$55.00
Minature hedge grows 1-2m. NZ native. Slow growing. Unusual divaricating orange foliage.				
<b>CORDYLINE 'ALBERTII'</b>	<b>Cabbage Tree</b>	4m x 1.5m Evergreen	45L	\$45.00
Magnificent variegated form, green leaves heavily banded rich cream. New growth tinted salmon rose. Formal upright habit. Will tolerate clay soil and wind.				
<b>CORNUS CAPITATA</b>	<b>Himalayan Strawberry Tree</b>	6m Evergreen	45L	\$125.00
Small tree, produces medium-sized creamy-white flower bracts over summer which are followed by strawberry-like fruit. Hardy. Birds love it!				
<b>CORNUS CONTROVERSA 'VARIEGATA'</b>	<b>Wedding Cake Tree</b>	5m x 3.5m Deciduous	45L	\$105.00
This very rare tree develops amazing horizontal tiers of soft foliage with a creamy white margin. A collectors' tree to treasure. Will tolerate frost.				
<b>CORNUS 'EDDIES WHITE WONDER'</b>	<b>Dogwood</b>	6m x 4m Deciduous	45L	\$125.00
Cornus Wonderful small tree with large white flower-like bracts in Spring. Amazing Autumn foliage in tones of fiery red, orange and yellow. Will tolerate frost.				
<b>CORNUS FL. CHEROKEE CHIEF</b>		4m Deciduous	45L	\$110.00
A choice American hybrid with the deepest of ruby-red flowers throughout spring. In addition it produces good, bright scarlet-red autumn foliage.				
<b>CORNUS KOUSA Chinesis</b>	<b>Chinese Dogwood</b>	5m x 4m Deciduous	45L	\$110.00
Free-flowering small tree or large shrub with masses of creamy spring flowers followed by deep pink, strawberry-like autumn fruit. Red and Orange Autumn colour. Very hardy but requires good soil conditions.				
<b>CORNUS KOUSA 'MILKY WAY'</b>			45L	\$110.00
Masses of snow-white, star-shaped flowers bracts are borne over late spring. Followed by red, strawberry-like fruit. Spectacular autumn foliage.				
<b>CORNUS Kousa 'National'</b>	<b>Dogwood</b>	4m x 3m Deciduous	45L	\$110.00
Large creamy white star shaped bracts bloom from November through to the end of January. Dark green early summer foliage. Very hardy but requires good soil conditions.				
<b>CORNUS NUTTALII</b>		6m x 4m Deciduous	45L	\$115.00
Oval leaves, prominently veined. Small crowded, dome-shaped flowers during Nov are surrounded by six or eight creamy-white, bract-like petals. Brilliant autumn foliage.				
<b>CORYNOCARPUS LAEVIGATUS</b>	<b>Karaka</b>	8m x 5m Evergreen	45L	\$105.00
A fast growing native maturing into a handsome canopy tree. Glossy leathery foliage and bright orange, bird attracting berries. Very tolerant of salt-laden wind.				
<b>COTONEASTER DAMMERI</b>	<b>ROYAL BEAUTY</b>	3m Deciduous	45	\$110.00
Arching and weeping form with small, glossy green leaves bears showy clusters of shiny, orange-red berries in autumn. Grafted for tall standard weeper. Hardy				

Botanical Name	Common Name	Specification	Grade	Price
<b>General (continued)</b>				
<b>COTONEASTER HJELMQVISTII</b>		Deciduous	45L	\$75.00
ROBUSTA: Spreading habit, weeping. Herring bone pattern on branches, good red fruit and autumn colour, glossy green leaves larger than parent and more vigorous.				
<b>COTONEASTER SAL. SCARLET LEADER</b>		.30x2.5m	45L	\$115.00
Graceful, weeping with small pointed leaves and massed displays of white flowers in early summer followed by a profusion of vivid red berries over autumn.				
<b>CUNONIA CAPENSIS</b>	<b>Butterknife</b>	5m x 3m Evergreen	160L	\$100.00
Fast growing, large shrub with attractive glossy foliage and showy, creamy-white flower spikes. Branches end in reddish 'butterknives'. Handsome screen or shelter plant.				
<b>CUPRESSUS SEMP. GRACILIS</b>	<b>Conifer</b>	3m x 35cm Evergreen	45L	\$75.00
Upright conifer, with green foliage, forming a perfect narrow column tapering to a point. Retains its tight narrow habit. Good soil, sun or shade.				
<b>CUSSONIA PANICULATA</b>	<b>African Cabbage Tree</b>	3m x 2m Evergreen	45L	\$145.00
Large bluish green leaves of this small tree are an attractive feature. Compact rounded crown, cream flowers. Protect from frost when young.				
<b>CYATHEA DEALBATA</b>	<b>Silver Fern</b>		160L	\$295.00
Hardy native, the inspiration for NZ's national emblem. The fresh green leaves have a silver underside as the leaves age. Plant in shade or semi-shade, watering regularly during dry spells.				
<b>DACRYCARPUS DACRYDIOIDES.</b>	<b>Kahikatea</b>	10m x 2m Evergreen	45L	\$125.00
The tallest of our native forest trees. Young growth feathery brown, green as it matures. Prefers damp soils and shade when young.				
<b>DACRYDIUM CUPRESSINUM.</b>	<b>NZ Rimu</b>	10m x 4m Evergreen	45L	\$145.00
NZ native Rimu, with distinctive weeping brown-green foliage. Prefers soils not too dry, and shelter when young.				
<b>DAPHNIPHYLLUM Macropodum</b>		2m x 3m Evergreen	135L	\$200.00
Handsome shrub with big, rich green, rhodo-like leaves with silver-blue undersides. Tight cluster of cream, scented flowers over spring. Frost hardy.				
<b>DASYLIRION LONGISSIMUM</b>	<b>Mexican Grass Tree</b>	1.5m x 1m	Pb3, Pb18	\$80.00
Prefers full sun & well drained soil. Frost hardy. Low maintenance plant. Slow growing. Good container or open ground plant.				
<b>DATURA</b>	<b>DATURA "Angels Trumpet"</b>	Up To 2m	45L	\$25.00
Stunning huge bell shaped pink flowers. An annual that responds well to a hard prune. Lemony scented most noticeable in the evening. ALL PARTS ARE TONIX				
<b>DICKSONIA SQUARROSA</b>	<b>Punga - NZ Tree Fern</b>	2m x 1.5m Evergreen		\$70.00
Wheki. A NZ tree fern, distinguished by a slender trunk, clothed with fronds. A hardy and smaller growing variety, excellent for the garden.				
<b>DODONAEA VIS. 'PURPUREA'</b>	<b>Purple Ake Ake</b>	4m x 2m Evergreen	35L	\$55.00
The best purple ake ake available. Intense purple colour in winter. Wind resistant. Good for shelter in light sandy soils.				
<b>DRACAENA DRACO</b>	<b>Dragon Tree</b>	3m x 1.5m Evergreen	75L	\$295.00
A very sought after specimen plant with bluish-green strap-like leaves. Very slow growing.				
<b>DRIMYS WINTERI</b>		1-2m Evergreen	35L	\$45.00
Beautiful, smaller growing, semi-dwarf variety with handsome, deep green leaves. Fragrant, white flowers are produced from early age. Cold hardy,				
<b>DYSOXYLUM SPECTABILE</b>	<b>Kohekohe</b>	5m x 2m Evergreen	45L	\$55.00
Endangered native tree once common in coastal areas. Attractive pinnate leaves, red fruits. Tolerates only light frosts.				
<b>EUCRYPHIA LUCIDA</b>	<b>Plumwood</b>	3m Evergreen	45L	\$95.00
A rare small tree with white fragrant flowers. Pinnate leaves and narrow-oblong, leaflets, pale on the undersides. Shelter from wind.				
<b>EUCRYPHIA LUCIDA CAROUSEL</b>	<b>Plumwood</b>	3m Evergreen	45L	\$55.00
Larger pink flowers with crimson stamens on an upright bush in summer. Spectacular in flower.				

Botanical Name	Common Name	Specification	Grade	Price
<b>General (continued)</b>				
<b>EUCRYPHIA MOOREI</b>	<b>Plumwood</b>	3m Evergreen	135L	\$250.00
A rare small tree with white fragrant flowers. Pinnate leaves and narrow-oblong, leaflets, pale on the undersides. Shelter from wind.				
<b>EUCRYPHIA X NYM. 'NYMANSAY'</b>		5m x 2m Evergreen	75L	\$125.00
Ornamental tree with masses of strongly fragrant flowers late summer and autumn. Prefers well mulched soil in sun or shade. Hardy.				
<b>EUGENIA AUSTRALIS</b>		5m x 3m	45L	\$85.00
Fast growing ornamental tree. White flowers followed by purple fruits.				
<b>FAGUS SYLVATICA ALLENTON</b>	<b>BEECH</b>	8m Deciduous	45L	\$125.00
Displays strong purple coloured foliage colouring almost immediately on unfolding & retains this shade from spring into summer when larger leaves become black. Hardy				
<b>FAGUS SYLVATICA P. PENDULA</b>		5m Deciduous	45L	\$125.00
Weeping 'Copper Beech'. The pendulous branches are clothed in usual ornamental leaves that commence as a soft, coppery colour becoming a purple shade.				
<b>FAGUS SYLVATICA PURPUREA</b>	<b>Weeping Green Beech</b>	10m x 6m Deciduous	45L	\$125.00
One of the most beautiful trees at maturity. Rich purple-brown leaves on an ornately branched tree. Very hardy.				
<b>FEIJOA KARAMEA</b>	<b>FEIJOA</b>		35L	\$60.00
Strong growing, bushy variety. Good for hedging.				
<b>FEIJOA WAITUI</b>	<b>Feijoa</b>	2.5m	35L	\$60.00
Huge fruit on a dwarf growing, easily managed tree. Sweet and meaty fruit. Ideal for home gardens. Mid-late season. Partially self fertile.				
<b>FIG ROBIN</b>	<b>Fig "Robin"</b>	3 - 10metres	35L	\$95.00
Excellent eating fig, well suited to home gardens. Early fruiting. Water well until established. Frost hardy when mature.				
<b>FISHTAIL PALM</b>		8m	Pb28	\$20.00
Leaves: Irregular bi-pinnate leaves that are fan-shaped and jagged at the tip with many veins, up to 3m long. Flowers: Small, separate male and female flowers. Fruits: Round green turning black.				
<b>FORSYTHIA BEATRIX FARRAND</b>		3m Deciduous	35L	\$35.00
Deep canary-yellow floral display on the bare branches. A much-branched, vigorous and bushy shrub it produces even more long flowering branches the harder it is pruned.				
<b>FRAXINUS EX PENDULA</b>	<b>Ash</b>	4m Deciduous	160L	\$150.00
ASH: Well known weeper that is vigorous in habit and forms an attractive wide-spreading mound of gently cascading branches.				
<b>FRAXINUS EX. 'PENDULA AUREA'</b>	<b>Ash</b>	4m x 3m Deciduous	160L	\$150.00
ASH: Golden weeping. A beautiful pale yellow specimen tree turning clear darker yellow in Autumn.				
<b>FRAXINUS GRIFFITHII</b>	<b>Evergreen Ash</b>	7m / 3m Evergreen	45L	\$125.00
An evergreen - semi - deciduous tree. The leaves are pale green, silver underneath. Long white flower panicles in spring. Prefers drier warmer regions, tolerating frosts to 12C.				
<b>FRAXINUS OXYCARPA 'RAYWOOD'</b>	<b>Ash</b>	9m x 5m Deciduous	45L	\$125.00
Claret intense claret red foliage in Autumn. Very neat rounded crown and hardy to temperature extremes. Striking contrast tree. Hardy.				
<b>GINKGO BILOBA</b>	<b>Maidenhair Tree</b>	6m x 5m Deciduous	160L	\$195.00
A beautiful specimen tree with lime green foliage and exceptional butter-yellow Autumn foliage. Tolerates frost and sun.

Botanical Name	Common Name	Specification	Grade	Price
<b>PODACARPUS HENKILII</b>	<b>Natal yellowwood</b>	6m x 4.5m Evergreen	45L	\$75.00
Weeping habit makes this specimen a focal point in any medium size garden, only gets better with age. Protect from heavy frost, moderately salt wind tolerant. Excellent specimen tree.				
<b>PODACARPUS TOTARA AUREA</b>	<b>Golden Totara</b>	8m x 3m Evergreen	45L	\$145.00
NZ native conifer. Dense green foliage and beautiful rounded form. Reknown for its excellent timber. Very hardy. Use as a feature tree or hedge.				
<b>PODACARPUS TOTARA PENDULA</b>	<b>Totara</b>	3.5m x 4m Evergreen	45L	\$105.00
Weeping Totara. Green, gold foliage. Pendulous branches. No leader and very wide spreading. Hardy.				
<b>PODOCARPUS TOTARA</b>	<b>Totara</b>	8m x 3m Evergreen		\$155.00
An iconic NZ native. Relative slow growing with a neat growth habit. Hardy				
<b>PRUNUS "SHIROTAE"</b>	<b>Flowering Cherry</b>	4mx5m Deciduous	60L	\$95.00
"Mt Fuji" Beautifully proportioned flat topped tree with horizontal slightly drooping branches. Very large white scented flowers.				
<b>PRUNUS 'ACCOLADE'</b>	<b>Cherry</b>	5m x 5m Deciduous	45L	\$135.00
An outstanding, small, flowering cherry with semi-double pink flowers in pendulous clusters produced in great profusion in early spring. Tolerate frost and full sun.				
<b>PRUNUS 'Accolade' on Serrula Stem</b>	<b>Cherry</b>	4m Deciduous	45L	\$125.00
Bark peels to show the gleaming, mahogany trunk. Small tree with spreading branches bearing a profusion of semi-double rich pink flowers. Autumn shades. Hardy.				
<b>PRUNUS CERASUS 'RHEXII'</b>	<b>Flowering Cherry</b>	5m Deciduous	45L	\$125.00
Very showy pure white double flowers which hang on long stalks during mid-spring plus the neat, upright growth habit.				
<b>PRUNUS Cheals Weeping</b>	<b>Flowering Cherry</b>	4m Deciduous	60L	\$95.00
(Prunus Kiku Shidare - Sakura) Arching drooping branches, clear double pink flowers, young leaves bronze - green. Later green and glossy. Place in shelter and will stand frost.				
<b>PRUNUS 'PINK CLOUD'</b>	<b>Flowering Cherry</b>	4m x 3m Deciduous	45L	\$145.00
Very early spring bloomer with masses of dainty clear pink flowers smothering a smallish tree. Well suited to smaller gardens and lining driveways. Vase shaped, upright tree. Not prone to hard spring frost. Good soil and drainage.				
<b>PRUNUS 'PINK PERFECTION'</b>	<b>Cherry</b>	3m x 3m deciduous	160L	\$295.00
A lovely compact growing tree with masses of double pink blossom. The young growth is an attractive bronze colour, turning green. Will tolerate frost but not high wind.				
<b>PRUNUS SERRULA</b>	<b>Birch Bark Tree</b>	6m Deciduous	160L	\$295.00
Glistening new bark that is polished deep copper-bronze. Narrow, mid-green willow-like foliage that assumes yellow tones in autumn. Small open white flowers in mid-spring.				
<b>PRUNUS SHIMIDSU SAKURA</b>	<b>Flowering Cherry</b>	4m x 5m Deciduous	45L - 60L	\$95.00
One of the loveliest Japanese cherries with large, frilly double pale pink flowers and rich autumn foliage. Later flowering. An ideal shade tree with spreading branches forming a broad, flattened canopy.				
			45L	\$95.00
			45L	\$145.00
<b>PRUNUS 'SHIROFUGEN'</b>	<b>Cherry</b>	5m x 5m Deciduous	160L	\$295.00
Flowering. A strong growing wide spreading tree. Long-lasting double white flowers from purplish-pink buds in early Summer. Will tolerate frost but not high wind.				
<b>PRUNUS SHIROTAE 'MT FUJI'</b>	<b>Cherry</b>	4mx5m Deciduous	45L	\$160.00
Flowering. Eye-catching snow white double blossoms in pendant clusters during Spring. Yellow, orange and bronze Autumn foliage. Will tolerate frost but not high wind.				
<b>PRUNUS SOU. GEM SERRULA</b>	<b>Cherry</b>	4mx4m Deciduous	45L	\$135.00
Pink blooms with a white blush in Spring. Yellow-orange and purple foliage in Autumn. Tolerates frost and sun. Grafted on Serrula stem.				
<b>PRUNUS SUB FALLING SNOW'</b>	<b>Flowering Cherry</b>	3m Deciduous	45L	\$135.00
A cultivar characterised by the graceful, pendant branches which are smothered in single, blush-pink flowers in early spring. A tidy form. Hardy.				
			135L	\$250.00

Botanical Name	Common Name	Specification	Grade	Price
<b>General (continued)</b>				
<b>PRUNUS SUB. 'PENDULA ROSEA'</b>	<b>Cherry</b>	3mx3m Deciduous	45L	\$135.00
Weeping Rosebud forms a small tree, like a miniature weeping willow. Covered in sprays of pink flowers in early Spring. Tolerate frost, ave wind.				
			160L	\$295.00
<b>PRUNUS 'UKON'</b>	<b>Green Cherry</b>	5m Deciduous	45L	\$125.00
The cherry bears semi-double flowers of intriguing colour, commencing as soft pink buds & becoming a delicate chartreus-green colour in early spring. Autumn rusty-red.				
<b>PRUNUS YEDOENSIS 'AWANUI'</b>	<b>Cherry</b>	5m x 6m Deciduous	45L	\$135.00
Flowering. Large single pink frilly-edged flowers make a wonderful display in Spring hanging in clusters from a well formed spreading crown. Fragrant. Low graft. Tolerate frost and sun.				
<b>PRUNUS YEDOENSIS 'IVENSII'</b>	<b>Cherry</b>	180cm Deciduous	45L	\$125.00
A delightful, small, vigorous weeping tree with long, slender, drooping branchlets which are transformed into snow-white cascades of fragrant blossom in early spring.				
<b>PRUNUS YEDOENSIS 'PERPENDENS'</b>	<b>Cherry</b>	3m x 4m Deciduous	45L	\$135.00
Weeping. Yoshino masses of single pearly-white blossoms adorn arching branches for almost a month in Spring. Handsome Autumn tones. Tolerate frost and sun.				
<b>PSEUDOPANAX CRASSIFOLIUM</b>	<b>Lancewood</b>		35L	\$75.00

Red. Stately specimen tree with rich red Spring foliage turning matt green through Summer and then dark red and orange in Autumn. Will tolerate frost and full sun.				
<b>RHODO ANNA KRUSCHKE</b>		205m	35L	\$100.00
Tight trusses of reddish purple flowers.				
<b>RHODO Anna Rose Whitney</b>	<b>Rhododendron</b>	2.5m Evergreen	35L	\$100.00
Mid Season. Very large, rounded brilliant pink trusses with light brown spotting. Vigorous and bushy with good foliage.				
<b>RHODO Blue diamond</b>	<b>Rhododendron</b>	1m Mid flowering	45L	\$115.00
Early mid season: deep lavender blue flowers in tight terminal clusters. Slow growing compact spreading growth. Free flowering and showy.				
<b>RHODO BLUE RIVER</b>		1.5m	45L	\$120.00
Prolific blooming bush with light lavender to violet blooms. Mid to late season. Peaty soil, acid fertiliser.				
<b>RHODO Bruce brechtbill</b>	<b>Rhododendron</b>	1.5-1.8m Mid flowering	135L	\$250.00
Early to mid season: Pale pink with creamy yellow throat in rounded trusses. Small and compact habit, prefers partial shade and free drainage and mulching.				
<b>RHODO Bumblebee</b>	<b>Rhododendron</b>	2m Mid Season	35L	\$100.00
Fine trusses of deep blue flowers with large maroon blotch. Excellent blue Rhododendron, easier to place than the dark purple 'Purple Splendour'.				
<b>RHODO CHEER</b>		1.7m Evergreen	6L	\$100.00
Pink trusses of flowers, glossy green leaves.				
<b>RHODO Cornubia</b>	<b>Rhododendron</b>	3m Early flowering	35L	\$100.00
Early spring flowering. Bright blood red bell shaped flowers in compact rounded trusses. A superb early display. (Zeylanicum x Shilsonianii) bag may 08				
<b>RHODO Cotton Candy</b>	<b>Rhododendron</b>		160L	\$300.00
Mid-late season: Tall conical trusses of pastel pink with small maroon blaze. Unusual large. Flowers, dark green foliage, grows well in full sun.				
<b>RHODO DRUM</b>		Evergreen 1.5m	35L	\$100.00
Striking red flowers formed in compact truss.				
<b>RHODO ELSIE WATSON</b>			45L	\$120.00
Vivid reddish purple buds open to a soft purplish pink with a lovely dark purple star in the throat. November flowering. Peaty soil, acid fertiliser.				
<b>RHODO Gwen</b>	<b>Rhododendron</b>	1m	45L	\$115.00
Late. Mandarin red, funnel shaped florets in compact truss. Dark green foliage. Dwarf compact grower.				
<b>RHODO Ilam Cornubia</b>	<b>Rhododendron</b>	3m Early flowering	45L	\$95.00
Early spring flowering. Bright blood red bell shaped flowers in compact rounded trusses. A superb early display (Zeylanicum x Shilsonianii).				
<b>RHODO IMPII</b>		80.cm	35L	\$100.00
Black maroon funnel shaped flowers.				
<b>RHODO JOHN BULL</b>		1.5m	6L	\$40.00
Nicely scented flowers are white flushed pink.				
<b>RHODO Kaponga</b>	<b>Rhododendron</b>	3m Early/Mid flowering	160L	\$295.00
Early to mid season: scarlet red flowers in large compact trusses, tall vigorous habit upright. Lovely contrast of foliage and colour.				
<b>RHODO LEMS MONARCH</b>	<b>Lems Monarch</b>	2m	35L	\$100.00
Huge Trusses Of Pink flowers Large and attractive foliage. Peaty soil, acid fertiliser.				

Botanical Name	Common Name	Specification	Grade	Price
<b>General (continued)</b>				
<b>RHODO Maddenii x Maddenii</b>	<b>Rhododendron</b>	2m Late season	135L	\$250.00
A beautiful plant, with fragrant white flowers, stained gold throat. Very attractive foliage which stays clean & fresh through the year. Protect heavy frost.				
<b>RHODO MIKE DAVIS</b>		Evergreen 1.2m	35L	\$100.00
Super apricot to pink flowers in a excellent truss.				
<b>RHODO PHYLIS KORN</b>		2.5m Evergreen	45L	\$120.00
Large creamy white rounded truss with a red blotch.				
<b>RHODO PINK PEARL</b>		2m Evergreen	45L	\$120.00
Deep pink buds open to soft pink flowers.				
<b>RHODO PRINCESS ALICE</b>		1m	35L	\$100.00
White flowers with pink striped buds, sweetly perfumed.				
<b>RHODO Red Eye</b>	<b>Rhododendron</b>	2m Evergreen	pb28	\$85.00
Mid-late. A reliable sun-tolerant variety. The flowers are deep red purple with an unusual eye. The eye starts as green gold. Deepens to red.				
<b>RHODO Saffron Queen</b>	<b>Rhododendron</b>	1.5m Evergreen	45L	\$95.00
Mid season. Saffron yellow to sulphur with darker spotting on the upper lobes. Small 4cm trumpet shaped florets in lax flat topped trusses. Long narrow, glossy leaves.				
<b>RHODO SAPPHO</b>		Evergreen 1.8m	35L	\$100.00
White flowers heavily spotted with maroon.				
<b>RHODO SCINTILATION</b>		1.2m Evergreen	Pb28	\$85.00
Compact trusses are pastel pink with deeper pink flare.				
<b>RHODO Snow Lady</b>	<b>Rhododendron</b>	1m Evergreen	45L	\$95.00
Early. Lax trusses of beautiful white flowers, with handsome anthers. Compact spreading habit. Semi-dwarf.				
<b>RHODO VIREYA SATANS GIFT</b>			45L	\$95.00
Keep away from direct, hot sunlight. Plant under a canopy of trees is ideal. Water your vireya until established, but then you will find it more drought tolerant than other rhodos				
<b>RHODO WHITE PEARL</b>		3m Evergreen	Pb28	\$85.00
Pale pink buds, opening to pure white. Compact, fast growing and hardy. Peaty soil, acid fertiliser.				
<b>RHODODENDRON 'BIBIANI'</b>	<b>Mosers Maroon x arboreum</b>	3m x 3m	160L	\$300.00
Dense upright shrub with bold foliage. Bell shaped flowers are waxy red held in a cone shape. Flowers early spring. Prefers semi-shade.				
<b>RHOPALOSTYLIS SAPIDA</b>	<b>Nikau Palm</b>	8m Evergreen	100L	\$350.00
The only palm native to New Zealand. This slow growing Nikau has a slender unbranched trunk with the rigid up stretched fronds like a feather duster. Flowers followed by vivid red fruit. Prefers fertile soil, mulch in summer.				
<b>ROBINIA 'LACE LADY'</b>	<b>Robinia</b>	3mx3m Deciduous	45L	\$128.00
A dramatic focal tree for large containers and prominent garden positions. Luscious ferny foliage is held on contorted branches. Tolerate frost and full sun.				
			45L	\$145.00
			45L	\$160.00
			160L	\$250.00
<b>ROBINIA MOP TOP</b>	<b>Mop Top</b>	2.5m x 4m Deciduous	45L	\$145.00
Bold and sought after architectural trees sure to make a statement. Fabulous in containers as well as planted in ground. Great specimen trees, and equally spectacular planted in a group.				
			135L	\$250.00
<b>ROBINIA PSEUDOACACIA 'FRISIA'</b>	<b>Robinia</b>	6m x 5m Deciduous	160L	\$295.00
Golden. Outstanding small to medium tree with rich golden yellow leaves from Spring to Autumn. Great shade tree as it only casts a light shadow.				

Botanical Name	Common Name	Specification	Grade	Price
<b>General (continued)</b>				
<b>SABAL PALMETTO</b>	<b>Palm</b>	2m x 2m Evergreen	160L	\$295.00
Palmetto. A very hardy palm with matt-green fan-shaped foliage which slowly forms a trunk. Will tolerate frost and full sun.			300lt	\$950.00
<b>SALIX CAPREA PENDULA</b>	<b>Kilmarnock Willow</b>	2.5m x 2.5m Deciduous	45L	\$125.00
Weeping Pussy. A dainty weeping tree with small oval leaves emerging from furry catkins. Looks amazing near ponds and water features. Will tolerate frost and full sun.			135L	\$250.00
			160L	\$295.00
<b>SARCOCOCCA CONFUSA</b>	<b>Sweet Box</b>	2 x 1m Evergreen	45L	\$55.00
A dense, rounded shrub with tapered, glossy, very dark green leaves. Clusters of small fragrant white flowers in winter followed by glossy black berries. Semi-shade.				
<b>SCHEFFLERA ACTINOPHYLLA</b>	<b>Queensland umbrella tree</b>	4.5 x 3.5	45L	\$95.00
Looking for tropical . . . Hardy to most conditions. Avoid heavy frosts. Evergreen. 4.5m x 3.5m.			100L	\$95.00
<b>SCHIMA ARGENTEA</b>			45L	\$55.00
Coppery-orange new growth maturing dark green. Bright red buds open to camellia like white flowers, with central gold stamens. Good drainage, protection from frost.				
<b>SCHINUS MOLLE</b>	<b>Pepper Tree</b>	5m x 6m Evergreen	45L	\$115.00
